RE: Approved Supervisor Designation

Dear Supervisor,

The Board Office has approved you for the clinical supervisor designation and determined that all requirements have been met.

This supervisor designation is not a license but recognizes a license holder to serve as a supervisor, to individual practitioners licensed by the Counseling and Therapy Practice Board. Please remember that you must keep your individual practitioner's license in an active status for your supervision designation to remain active.

Renewal of your supervision designation must be completed by September 30th of your renewal year. At the time of your renewal, you will need to meet the additional supervisor designation requirements outlined in 16.27.19.10 (B) NMAC.

If you have any question or need further assistance, send an email directly to counseling.board@rld.nm.gov.

Sincerely,

Adam Griego
Senior Board Administrator
